HISTORY

In September 2006, we finally decided to reopen Mmabatho Nissan. This was accomplished only after many months of soul searching and concerns about the future. Mmabatho Nissan was renamed to Mahikeng Auto with Nissan, Renault, Fiat, Nissan Diesel and Valid Value Approved used cars all under one roof situated on the C/O First & Aerodrome Rd, Industrial Sites, Mahikeng.

Now, after we put all our faith and lives into Mahikeng Auto, we are the BEST SELLING MOTOR DEALER in Mahikeng. We currently employ 50 people and represent 2 different franchises.

This ever growing, happy, proudly South African (Mahikeng) company would like to invite all customers to put our already great service, to the test. We have given new breath to the automotive industry in Mahikeng
